PUBLIC NOTICE

The US Army Corps of Engineers, Wilmington District, (District), Regulatory Division is withdrawing guidance on **Determining Appropriate Compensatory Mitigation Credit for Dam Removal Projects in North Carolina** issued by the District on May 27, 2004.

This guidance is being withdrawn for reevaluation and may be reissued with modifications after the reevaluation is completed. The reevaluation will include the opportunity for public review and comment if modifications are proposed.

Projects under contract on or before the date of this public notice that were developed in reliance on this guidance will be evaluated pursuant to the guidance. Newly proposed projects will be evaluated on a project-by-project basis.

Questions pertinent to this announcement should be directed to Mr. David Franklin at the above address, email (david.franklin@usace.army.mil), or telephone (910) 251-4952
